

Welcome to our practice! We are honored that you chose us. We strive to make you feel safe and comfortable here! If you have any questions about your visit, please don't hesitate to ask!

Our office hours are:

Monday through Thursday	8am to 5pm
Lunch hour	12pm to 1pm

Appointments: Because we work hard to value your time when you are here, we ask that you come to your scheduled appointments **or** let us know 24 hours in advance if you cannot .

Emergencies: If you have an emergency while the office is closed, please call our office number and you will be prompted to leave a message. Messages are checked twice daily and Dr. Thompson will be notified ASAP. If an emergency arises during office hours, please call as early in the day as you can. We reserve special times to see our current patients as quickly as possible.

Recall appointments: We take our responsibility to care for your oral health very seriously, and we believe **strongly** in the benefits of preventive care. We encourage all our patients to schedule yearly hygiene appointments and an oral evaluation. Please update us if you have had a change in 1) Medication/health, 2) address or phone number, 3) marital status, or 4) insurance.

Financial & Insurance information: The insurance world is a confusing and frustrating place. We do our very best to help you access your benefits to the fullest and will always provide you with an estimated cost of treatment. Ultimately, you are responsible for any financial obligations for services we provided.

Social media: Videos and more information is available on our website www.peachtreedental.us or on Facebook at **Peachtree Dental**.

We take great pride in helping you keep your smile beautiful and healthy, and in bringing you the best oral technology and value.

Thank you for trusting us, and welcome to the family!
